The object of the game is that two teams of 15, 10 or seven players each, observing fair play, according to the laws and sporting spirit, should by carrying, passing, kicking and grounding the ball, score as many points as possible, the team scoring the greater number of points being the winner of the match.

The laws of the game, including the standard set of variations for under-19s, 10s and rugby sevens, are complete and contain all that is necessary to enable the game to be played correctly and fairly.

Rugby union is a sport which involves physical contact and, as such, presents inherent dangers. It is very important to play the game in accordance with the laws and be mindful of player welfare at all times.

It is the responsibility of players to ensure that they are physically and technically prepared to play within the laws and are committed to participate in accordance with safe practices and enjoyment.

It is the responsibility of those who coach or teach the game to ensure that players are prepared to comply with the laws, to play fairly and practice safe conduct.

It is the duty of the referee to apply fairly all the laws in every match, including law trials and variations as authorised by World Rugby.

It is the duty of the unions to ensure that the game at every level is conducted in accordance with disciplined and sporting behaviour.

The principle of fair play cannot be upheld solely by the referee. Responsibility for its observance also rests on unions, clubs, other affiliated bodies, coaches and players.

Each union should create a pathway programme for youth players. Through this programme, young players can be gradually introduced to the various phases of rugby at an appropriate time, offering them more protection from injury. The age and content of this programme should be determined by each union, depending on the unique characteristics of the playing environment within that union.

INTRODUCTION

A game which started out as a simple pastime has been transformed into a global network around which vast stadia have been built, an intricate administrative structure created and complex strategies devised. Rugby union, in common with any activity which attracts the interest and enthusiasm of all kinds of people, has many sides and faces.

Rugby is played worldwide by people of all ages from across a wide and diverse range of backgrounds. More than 8.5 million people aged from six to 60+ regularly participate in the playing of the game. The wide variation of skills and physical requirements needed for the game mean that there is an opportunity for individuals of every shape, size and ability to participate.

Apart from the playing of the game and its ancillary support, rugby embraces a number of social and emotional concepts such as courage, loyalty, sportsmanship, discipline and teamwork. What this charter does is to give the game a checklist against which the mode of play and behaviour can be assessed. The objective is to ensure that rugby maintains its unique character both on and off the field.

The charter covers the basic principles of rugby as they relate to playing and coaching, and to the creation and application of the laws. It is hoped that the charter, which is an important complement to the laws, will set the standards for all those who are involved in rugby, at whatever level.

*INTEGRITY • PASSION • SOLIDARITY
DISCIPLINE • RESPECT*

PRINCIPLES OF THE GAME

CONDUCT

The legend of William Webb Ellis, who is credited with first picking up the football and running with it, has doggedly survived the countless revisionist theories since that day at Rugby School in 1823. That the game should have its origins in an act of spirited defiance is somehow appropriate.

At first glance it is difficult to find the guiding principles behind a game which, to the casual observer, appears to be a mass of contradictions. It is perfectly acceptable, for example, to be seen to be exerting extreme physical pressure on an opponent in an attempt to gain possession of the ball, but not wilfully or maliciously to inflict injury.

These are the boundaries within which players and referees must operate and it is the capacity to make this fine distinction, combined with control and discipline, both individual and collective, upon which the code of conduct depends.

SPIRIT

Rugby owes much of its appeal to the fact that it is played both to the letter and within the spirit of the laws. The responsibility for ensuring that this happens lies not with one individual - it involves coaches, captains, players and referees.

INTEGRITY

Integrity is central to the fabric of the game and is generated through honesty and fair play

PRINCIPLES OF THE GAME

It is through discipline, control and mutual respect that the spirit of the game flourishes and, in the context of a game as physically challenging as rugby, these are the qualities which forge the fellowship and sense of fair play so essential to the game's ongoing success and survival.

Old-fashioned traditions and virtues they may be, but they have stood the test of time and, at all levels at which the game is played, they remain as important to rugby's future as they have been throughout its long and distinguished past. The principles of rugby are the fundamental elements upon which the game is based and they enable participants to immediately identify the game's character and what makes it distinctive as a sport.

OBJECT

The game's objective is to score as many points as possible against an opposing team by carrying, passing, kicking and grounding the ball, according to the laws of the game, its sporting spirit and fair play.

CONTEST AND CONTINUITY

The contest for possession of the ball is one of rugby's key features. These contests occur throughout the game and in a number of different forms:

- in contact
- in open play
- when play is re-started at scrums, lineouts, kick-offs and restart kicks.

PASSION

Rugby people have a passionate enthusiasm for the game. Rugby generates excitement, emotional attachment and a sense of belonging to the global rugby family

PRINCIPLES OF THE GAME

The contests are balanced in such a way as to reward superior skill displayed in the preceding action. For example, a team forced to kick for touch because of its inability to maintain the play is denied the throw-in to the lineout. Similarly, the team knocking the ball on or passing the ball forward is denied the throw at the subsequent scrum. The advantage then must always lie with the team throwing the ball in, although, here again, it is important that these areas of play can be fairly contested.

The team in possession aims to maintain continuity by denying the opposition the ball and, by skilful means, to advance and score points. Failure to do this will mean the surrendering of possession to the opposition either as a result of shortcomings on the part of the team in possession or because of the quality of the opposition defence; contest and continuity, profit and loss.

As one team attempts to maintain continuity of possession, the opposing team strives to contest for possession. This provides the essential balance between continuity of play and continuity of possession. This balance of contestability and continuity applies to both set piece and open play.

SOLIDARITY

Rugby provides a unifying spirit that leads to life long friendships, camaraderie, teamwork and loyalty which transcends cultural, geographic, political and religious differences

PRINCIPLES OF THE LAWS

The principles upon which the laws of the game are based are:

A SPORT FOR ALL

The laws provide players of different physiques, skills, genders and ages with the opportunity to participate at their levels of ability in a controlled, competitive and enjoyable environment. It is incumbent upon all who play rugby to have a thorough knowledge and understanding of the laws of the game.

MAINTAINING THE IDENTITY

The laws ensure that rugby's distinctive features are maintained through scrums, lineouts, mauls, rucks, kick-offs and re-starts. Also the key features relating to contest and continuity - the backward pass, the offensive tackle.

ENJOYMENT AND ENTERTAINMENT

The laws provide the framework for a game that is both enjoyable to play and entertaining to watch. If, on occasions, these objectives appear to be incompatible, enjoyment and entertainment are enhanced by enabling the players to give full rein to their skills. To achieve the correct balance, the laws are constantly under review.

APPLICATION

There is an over-riding obligation on the players to observe the laws and to respect the principles of fair play. The laws must be applied in such a way as to ensure that the game is played according to the principles of play. The match officials can achieve this through fairness, consistency, sensitivity and, when appropriate, management. In return, it is the responsibility of coaches, captains and players to respect the authority of the match officials.

DISCIPLINE

Discipline is an integral part of the game, both on and off the field, and is reflected through adherence to the laws, the regulations and rugby's core values

CONCLUSION

Rugby is valued as a sport for all. It builds teamwork, understanding, co-operation and respect for fellow participants. Its cornerstones are, as they always have been:

- The pleasure of participating
- The courage and skill which the game demands
- The love of a team sport that enriches the lives of all involved
- The lifelong friendships forged through a shared interest in the game.

It is because of, not despite, rugby's intensely physical and athletic characteristics that such great camaraderie exists before and after matches. The long-standing tradition of players from competing teams enjoying each other's company away from the pitch and in a social context remains at the very core of the game.

Rugby has fully embraced the professional era, but has retained the ethos and traditions of the recreational game. In an age in which many traditional sporting qualities are being diluted or even challenged, rugby is rightly proud of its ability to retain high standards of sportsmanship, ethical behaviour and fair play.

This charter will help to reinforce those cherished values.

RESPECT

Respect for team-mates, opponents, match officials and those involved in the game is paramount

DIAGRAMS

Throughout this book, the diagrams conform to the following conventions:

Laws of the game

LAW 1 The ground

The ground

1. The playing surface must be safe.
2. The permitted surface types are grass, sand, clay, snow or artificial turf (conforming to World Rugby Regulation 22).
3. The dimensions of the playing area shown in the ground diagram.

Dimensions	Field of play length	In-goal length	Width
Maximum (metres)	100	22	70
Minimum (metres)	94	6	68

- a. The playing area is rectangular in shape.
- b. Any variations to these dimensions must be approved by the relevant union for domestic competitions or World Rugby for international matches.

- c. Where the length of the field of play is less than 100 metres, the distance between the 10-metre lines and 22-metre lines is reduced accordingly.
- d. Where the width of the playing area is less than 70 metres, the distance between the 15-metre lines is reduced accordingly.
- e. The perimeter area should, where practicable, be five metres wide but no less than 3.5m for the men's game, 3.0m for the women's game.

LINES

- 4. There are solid lines configured as shown in the ground diagram. The solid lines are on:
 - a. The dead-ball lines and touch-in-goal lines.
 - b. The try lines.
 - c. The 22-metre lines.
 - d. The half-way line.
 - e. The touchlines.
- 5. There are dash lines configured as shown in the ground diagram. Each dash within a dash line is five metres in length. There are dash lines:
 - a. Five metres from, and parallel to each touchline.
 - b. 15 metres from, and parallel to, each touchline.
 - c. 10 metres from, and parallel to, each side of the half-way line.
 - d. Five metres from, and parallel to, each try line.
- 6. There is one line 0.5 metres long that intersects the centre of the half-way line.

GOAL POSTS AND CROSSBAR

- When padding is attached to the goal posts the distance from the try line to the external edge of the padding must not exceed 0.3 metres.

FLAG POSTS

- There are 14 flag posts with flags, each with a minimum height of 1.2 metres.
- One flag post is positioned at each intersection of the touch-in-goal lines and the try lines and one at each intersection of the touch-in-goal lines and the dead-ball lines (eight flag posts in total).
- One flag post is positioned in line with the 22-metre line and the half-way line on each side of the pitch, two metres outside the touchlines and within the playing enclosure (six flag posts in total).

OBJECTIONS TO THE GROUND

- Teams must inform the referee of any objections before the match starts.
- The referee will attempt to resolve the issues and will not start a match if any part of the ground is considered to be unsafe.

1. The ball is oval and made of four panels.
2. It has dimensions as shown here:

3. It weighs 410-460 grams.
4. Smaller balls may be used for matches between young players.
5. The ball is made of leather or a suitable synthetic material. It may be treated to make it water resistant and easier to grip.
6. Its air pressure at the start of play is 65.71-68.75 kilopascals, 0.67-0.70 kilograms per square centimetre or 9.5-10.0 pounds per square inch.
7. Spare balls may be available during a match.

NUMBERS

1. Each team has no more than 15 players in the playing area during play.
2. A match organiser may authorise matches to be played with fewer than 15 players in each team.
3. A team may make an objection to the referee about the number of players in their opponents' team. If a team has too many players, the referee orders the captain of that team to reduce the number appropriately. The score at the time of the objection remains unaltered. **Sanction: Penalty.**
4. For international matches, a union may nominate up to eight replacements.
5. For other matches, the match organiser decides how many replacements may be nominated, up to a maximum of eight.
6. Replacements are made only when the ball is dead and only with the permission of the referee.
7. If a player re-joins or a replacement joins the match without the referee's permission and the referee believes the player did so to gain an advantage, the player is guilty of misconduct. **Sanction: Penalty.**
8. The table indicates the minimum number of front-row players by squad size and the minimum replacement obligations. A match organiser may, having taken player welfare into account, amend the minimum number of front-row players in the squad and the minimum replacement obligations at defined levels of the game.

Squad size	Minimum number of front row players in the squad	Must be able to replace at the first time of asking
15 or fewer	3	-
16, 17 or 18	4	Either a prop or a hooker
19, 20, 21 or 22	5	Both a prop and a hooker
23	6	Loose-head prop, tight-head prop and hooker

9. Where the match organiser has determined squad sizes of 23 and a team is able to nominate only two front-row replacements, then that team may nominate only 22 players in their squad.
10. Prior to the match, each team must advise the appropriate match official of their front-row players and possible front-row replacements and which position(s) in the front row they can play. Only these players may play in the front row when the scrum is contested and only in their designated position(s).
11. A replacement front-row player may start the match in another position.
12. It is a team's responsibility to ensure that all front-row players and front-row replacements are suitably trained and experienced.

UNCONTESTED SCRUMS

13. Scrums will become uncontested if either team cannot field a suitably trained front row or if the referee so orders.
14. A match organiser may stipulate the conditions under which a game may start with uncontested scrums.
15. Uncontested scrums as a result of a sending off, yellow card or injury must be played with eight players per side.
16. When a front-row player leaves the playing area, whether through injury or by a yellow or red card, the referee enquires at the next scrum whether the team can continue with contested scrums. If the referee is informed that the team will not be able to contest the scrum, then the referee orders uncontested scrums. If the player returns or another front-row player comes on, then contested scrums may resume.
17. In a squad of 23 players or at the discretion of the match organiser, a player whose departure has caused the referee to order uncontested scrums cannot be replaced.
18. Only when no replacement front-row player is available is any other player permitted to play in the front row.

19. If a front-row player is shown a yellow card, and the team cannot continue with contested scrums with players already on the field, then the team nominates another player to leave the playing area to enable an available front-row player to come on. The nominated player may not return until the period of suspension ends, or to act as a replacement.
20. If a front-row player is sent off, and the team cannot continue with contested scrums with players already on the field, then the team nominates another player to leave the playing area to enable an available front-row player to come on. The nominated player may act as a replacement.

PERMANENT REPLACEMENT

21. A player may be replaced if injured. An injured player may not return once replaced.
22. A player is deemed to be injured if:
 - a. At national representative level, it is the opinion of a doctor that it would be inadvisable for the player to continue.
 - b. In other matches, where a match organiser has given explicit permission, it is the opinion of a medically trained person that it would be inadvisable for the player to continue. If none is present, that player may be replaced if the referee agrees.
 - c. The referee decides (with or without medical advice) that it would be inadvisable for the player to continue. The referee orders that player to leave the playing area.
23. The referee may also order an injured player to leave the playing area to be medically examined.

PERMANENT REPLACEMENT - RECOGNISE AND REMOVE

24. If, at any point during a match, a player is concussed or has suspected concussion, that player must be immediately and permanently removed from the playing area. This process is known as “Recognise and Remove”.

TEMPORARY REPLACEMENT - BLOOD INJURY

25. When a player has a blood injury, that player leaves the field of play and may be temporarily replaced. The injured player returns to play as soon as the bleeding has been controlled and/or covered. If the player is not available to return to the field of play within 15 minutes (actual time) of leaving the playing area, the replacement becomes permanent.
26. In international matches, the match-day doctor decides whether an injury is a blood injury necessitating a temporary replacement. In matches which have been approved in advance by World Rugby for use of the HIA process, the game cannot restart until the player with the blood injury has been temporarily replaced.

TEMPORARY REPLACEMENT - HEAD INJURY ASSESSMENT (HIA)

27. In matches which have been approved in advance by World Rugby for use of the HIA process, a player who requires an HIA:
 - a. Leaves the field of play; and
 - b. Is temporarily replaced (even if all the replacements have been used).

The game cannot restart until the player who requires an HIA has been temporarily replaced. If the player is not available to return to the field of play after 12 minutes (actual time) of leaving the playing area, the replacement becomes permanent.

TEMPORARY REPLACEMENTS - ALL

28. A temporary replacement can be temporarily replaced (even if all replacements have been used).
29. If a temporary replacement is injured, that player may also be replaced.
30. If a temporary replacement is sent off, the originally replaced player is not permitted to return to the playing area, except to comply Law 3.19 or 3.20, and only if the player has been medically cleared to do so and does so within the required time of leaving the field of play.

31. If the temporary replacement receives a yellow card, the replaced player is not permitted to return to the field of play until after the period of suspension, except to comply with Law 3.19 or 3.20, and only if the player has been medically cleared to do so and does so within the required time of leaving the field of play.
32. If the time allowed for a temporary replacement elapses during half-time, the replacement shall become permanent unless the replaced player returns to the field of play immediately at the start of the second half.

6. If, at an inspection before the match, a match official tells a player that an item banned under this law is being worn and the player is subsequently found to be wearing that item on the playing area, that player is sent off for misconduct.
Sanction: Penalty.
7. The referee must not allow any player to leave the playing area to change items of clothing, unless they are bloodstained.

World Rugby Regulation 12 can be found at:

<https://playerwelfare.worldrugby.org/reg12>

1. A match lasts no longer than 80 minutes (split into two halves, each of not more than 40 minutes plus time lost), unless the match organiser has authorised the playing of extra-time in a drawn match within a knock-out competition.
2. Half-time consists of an interval not exceeding 15 minutes as decided by the match organiser. During this time, the teams and match officials may leave the playing enclosure.
3. In non-international matches, the match organiser may decide to reduce the length of a match. If the match organiser does not decide, the teams agree on the length of a match. If they cannot agree, the referee decides.
4. The referee keeps the time but may delegate the duty to either or both assistant referees and/or an official time-keeper, in which case the referee signals to them any stoppage. In matches without an official time-keeper, if the referee is in doubt as to the correct time, the referee consults either or both the assistant referees and may consult others but only if the assistant referees cannot help.
5. The referee may stop play and allow time for:
 - a. Player injury for up to one minute. If a player is seriously injured, the referee has the discretion to allow more than one minute for that player to be removed from the playing area.
 - b. Consultation with other officials.

 - b. The referee awards a free-kick or penalty.
 - c. A penalty is kicked into touch without the ball first being tapped and without the ball touching another player.
 - d. A try has been scored, in which case the referee allows time for the conversion to be taken.
8. A team scoring a try may attempt the conversion or may decline it.
 - a. The decision to decline the conversion must be relayed by the try scorer to the referee by saying “no kick” after the try is awarded.
 - b. Provided the conversion is attempted or declined before time elapses, the referee will award a restart kick.
 - c. If the conversion is attempted, time is taken from the strike on the ball.
9. When weather conditions are exceptionally hot and/or humid, the referee has the discretion to allow for a water break. This two-minute break should be taken midway through the half, after a score or when the ball is dead near the half-way line.
10. The referee has the power to end or suspend the match at any time if the referee believes that it would be unsafe to continue.

PRINCIPLE

Every match is under the control of match officials who consist of the referee and two touch judges or assistant referees. Additional persons, as authorised by the match organisers, may include the match doctor, immediate care professionals, the team doctors, the non-playing members of the teams and the ball persons.

Assistant referees and touch judges are responsible for signalling touch, touch in-goal and the success or otherwise of kicks at goal. In addition, assistant referees provide assistance as the referee directs, including the reporting of foul play.

APPOINTMENT OF THE REFEREE

1. The referee is appointed by the match organiser. If no referee has been appointed, the two teams agree upon a referee. If they cannot agree, the home team appoints a referee.
2. If the referee is unable to complete the match, the referee's replacement is appointed according to the instructions of the match organiser. If the match organiser has given no instructions, the referee appoints a replacement. If the referee cannot do so, the home team appoints a replacement.

DUTIES OF THE REFEREE BEFORE THE MATCH

3. The referee organises the toss. One of the captains tosses a coin and the other captain calls. The winner of the toss decides whether to kick off or to choose an end. If the winner of the toss decides to choose an end, the opponents must kick off and vice versa.
4. The match officials must inspect the players' clothing and studs for conformity to Law 4.

DUTIES OF THE REFEREE DURING A MATCH

5. Within the playing enclosure:
 - a. The referee is the sole judge of fact and of law during a match. The referee must apply the laws of the game fairly in every match.
 - b. The referee keeps the time. However, the match organiser may appoint a time-keeper who will signify the end of each half.
 - c. The referee keeps the score.
6. The referee permits access to the playing area for players and replacements, when it is safe to do so.
7. The referee gives permission for players to leave the playing area. However, a player may access water from their technical area, or from behind the dead ball line after a try has been awarded, without needing permission.

THE WHISTLE

8. The referee carries a whistle and blows it:
 - a. To indicate the beginning and the end of each half of the match.
 - b. To stop play. The referee has the power to stop play at any time.
 - c. To indicate a score or a touch down.
 - d. To caution or send off an offender and a second time when the penalty or penalty try is awarded.
 - e. When the ball becomes dead, other than after a failed conversion kick.
 - f. When the ball becomes unplayable.
 - g. When a penalty, free-kick or scrum is awarded.
 - h. When it would be dangerous to let play continue or when it is suspected that a player is seriously injured.

THE BALL BECOMES DEAD

9. The referee will deem the ball to be dead when:
 - a. The ball is in touch or touch in-goal.
 - b. The ball is grounded in in-goal.
 - c. A conversion has been attempted.
 - d. A try, penalty or dropped goal has been scored.
 - e. The ball or ball-carrier touches the dead-ball line or anything beyond it.
 - f. The ball hits anything above the playing area.

THE BALL OR BALL-CARRIER TOUCHES THE REFEREE OR NON-PLAYER

10. If the ball or the ball-carrier touches the referee or other non-player and neither team gains an advantage, play continues. If either team gains an advantage in the field of play, a scrum is awarded to the team that last played the ball.
11. If the ball-carrier touches the referee or other non-player in in-goal and either team gains an advantage:
 - a. If the ball is in possession of an attacking player, the referee awards a try where the contact took place.
 - b. If the ball is in possession of a defending player, the referee awards a touch down where the contact took place.
12. If the ball is touched by the referee or other non-player in in-goal, the referee judges what would have happened next and awards a try or a touch down at the place where the contact took place.

INTERACTION BETWEEN THE REFEREE AND ASSISTANT REFEREES / TOUCH JUDGES

13. The referee may consult with assistant referees about matters relating to their duties, the law relating to foul play and timekeeping, and may request assistance related to other aspects of the referee's duties.
14. The referee may alter a decision after a touch judge or an assistant referee has raised the flag to signal touch, touch-in-goal or an assistant referee has signalled foul play.

TELEVISION MATCH OFFICIAL

15. A match organiser may appoint a television match official (TMO), who uses technological devices to clarify situations relating to:
 - a. The grounding of the ball in in-goal.
 - b. Touch or touch-in-goal in the act of grounding the ball or the ball being made dead.
 - c. Where there is doubt as to whether a kick at goal has been successful.
 - d. Where match officials believe an infringement may have occurred in the playing area leading to a try or preventing a try.
 - e. Foul play, including sanctions.
16. Any of the match officials, including the TMO, may recommend a review by the TMO. The reviews will take place in accordance with the TMO protocol which is available at <https://www.world.rugby/the-game/laws/law/6>

DUTIES OF THE REFEREE AFTER A MATCH

17. The referee communicates the score to the teams and to the match organiser.
18. If a player was sent off, the referee gives the match organiser a written report on the foul play infringement as soon as possible.

APPOINTING AND CONTROLLING ASSISTANT REFEREES AND TOUCH JUDGES

19. There are two assistant referees or two touch judges for every match. Unless they have been appointed by or under the authority of the match organiser, each team provides a touch judge.
20. The match organiser may nominate a person to act as a replacement for the assistant referees or touch judges. This person is called the reserve touch judge or reserve assistant referee and is situated in the perimeter area.
21. The referee has control over the assistant referees or touch judges. The referee may tell them what their duties are and may overrule their decisions. If a touch judge is unsatisfactory, the referee may ask that the touch judge be replaced. If the referee believes a touch judge is guilty of misconduct, the referee has the power to send the touch judge off and make a report to the match organiser.

DURING THE MATCH

22. There is one assistant referee or touch judge on each side of the ground. The assistant referee or touch judge remains in touch except when judging a kick at goal. When judging a kick at goal they stand in in-goal, behind the goal posts.
23. An assistant referee may enter the playing area to report foul play. This may be done only at the next stoppage in play and when the referee allows.

SIGNALS

24. Each assistant referee or touch judge carries a flag or something similar with which to signal decisions.
25. Signalling the result of kicks at goal: One assistant referee or touch judge stands at or behind each goal post. If the ball goes over the crossbar and between the posts, they raise the flags to indicate a goal.
26. Signalling touch:
 - a. When the ball or the ball-carrier has gone into touch or touch-in-goal, the assistant referee or touch judge holds up the flag.
 - b. The assistant referee or touch judge stands at the place of the throw and points to the team entitled to throw in.
 - c. When the ball is thrown in, the assistant referee or touch judge lowers the flag, with the following exceptions:
 - i. When the player throwing in puts any part of either foot in the field of play.
 - ii. When the team not entitled to throw in has done so.
 - iii. When, at a quick throw, the ball that went into touch is replaced by another ball or, after it went into touch, it was touched by anyone except the ball-carrier who took it into touch or the player who takes the throw.
 - d. It is for the referee, and not the assistant referee or touch judge, to decide whether the ball was thrown in from the correct place.

27. Signalling foul play:

- a. A match organiser may give authority to the assistant referee to signal for foul play.
- b. An assistant referee signals that foul play or misconduct has been seen by holding the flag horizontally and pointing infield at right angles to the touchline.
- c. If an assistant referee signals foul play, the assistant referee stays in touch and continues to carry out all the other duties until the next stoppage in play.
- d. At the invitation of the referee the assistant referee may then enter the playing area to report the offence to the referee. The referee will then take appropriate action.
- e. If an assistant referee's verbal report to the referee leads to a player being sent off, the assistant referee submits a written report about the incident to the referee as soon as possible after the match and the referee provides it to the match organiser.

ADDITIONAL PERSONS

Any additional person who fails to adhere to the Laws may be cautioned or sent off and misconduct charges may be issued by the Match organiser.

28. Appropriately trained and accredited first-aid or immediate (pitch-side) care persons may enter the playing area to attend to injured players at any time it is safe to do so.
- a. There may be up to two medics, one on either side of the pitch, who may follow play.
 - b. These medics can only carry and provide water to a player that they are treating.
 - c. Medics cannot field, or touch a ball while it is in live play.

Sanction: Penalty where play would restart.

29. The following may enter the playing area provided they do not interfere with play:
- a. Two nominated water carriers during a stoppage in play for an injury to a player or when a try has been scored. (Note: the hot weather guidelines may warrant a two minute break per half.)
 - i. In matches with a squad size of 23, water carriers may only enter when a try is scored – the scoring side to an area on/near the 10m line in their own half. The non-scoring side, can take water into in-goal or retrieve from behind the dead-ball line. The water carriers must leave when the conversion is taken.
 - ii. At a penalty try, no water carriers may enter the field.
 - iii. Only when no tries are scored should a natural stoppage, in a neutral place on the pitch, be used to allow players to receive water. Where this coincides with an injury, water-carriers must leave the pitch as the medic leaves the pitch.
 - iv. Players may access water in the Technical zone and from behind their own dead ball line. If water is left in-goal this privilege will be removed.
 - v. A water carrier must not be a Head Coach or Director of Rugby.
 - b. A person carrying only a kicking tee and one water bottle, (solely for the kicker's use) after a team has indicated they intend to kick at goal, or a try has been scored.
 - c. The coaches attending to their teams at half-time.
 - d. These additional persons must remain in their technical area at all times before entering the field of play as permitted above. They must not field or touch the ball while it is in live play, including while in the technical area.

Sanction: Penalty where play would restart.

30. No additional persons should approach, address or aim comments at the match officials, except for medics in relation to the treatment of their own player.
31. The management of replacements may be delegated to sideline managers appointed by the match organiser. Information relating to sideline management can be found at: <https://officiating.worldrugby.org>

PRINCIPLE

If a team gains an advantage following an infringement by their opponents, the referee may allow play to continue in an effort to keep the game flowing.

1. Advantage:
 - a. May be tactical. The non-offending team is free to play the ball as they wish.
 - b. May be territorial. Play has moved towards the offending team's dead-ball line.
 - c. May be a combination of tactical and territorial.
 - d. Must be clear and real. A mere opportunity to gain an advantage is not sufficient.
2. Advantage ends when:
 - a. The referee deems that the non-offending team has gained an advantage. The referee allows play to continue; or
 - b. The referee deems that the non-offending team is unlikely to gain an advantage. The referee stops the game and applies the sanction for the infringement from which advantage was being played; or
 - c. The non-offending team commits an infringement before they have gained an advantage. The referee stops the game and applies the sanction for the first infringement. If either or both infringements are for foul play, the referee applies the appropriate sanction(s) for the offence(s); or
 - d. The offending team commits a second or subsequent infringement from which no advantage can be gained. The referee stops play and allows the captain of the non-offending team to choose the most advantageous sanction.

3. Advantage must not be applied and the referee must blow the whistle immediately when:
 - a. The ball or a player in possession of the ball, touches the referee and an advantage is gained by either side.
 - b. The ball comes out of either end of the tunnel at a scrum.
 - c. A scrum is wheeled through more than 90 degrees.
 - d. A player in a scrum is lifted or forced upwards so that the player is no longer in contact with the ground.
 - e. A quick throw, free-kick or penalty is taken incorrectly.
 - f. The ball is made dead.
 - g. It would be dangerous to let play continue.
 - h. It is suspected that a player is seriously injured.

1. Methods and points value of scoring:
 - a. Try. **Five points.**
 - b. Conversion. **Two points.**
 - c. Penalty try. **Seven points.**
 - d. Penalty goal. **Three points.**
 - e. Dropped goal. **Three points.**

TRY

2. A try is scored when an attacking player:
 - a. Is first to ground the ball in the opponents' in-goal.
 - b. Is first to ground the ball when a scrum, ruck or maul reaches the try line.
 - c. With the ball is tackled short of the try line and the player's momentum carries them in a continuous movement along the ground into the opponents' in-goal, and the player is first to ground the ball.
 - d. Is tackled near to the opponents' try line and the player immediately reaches out and grounds the ball.
 - e. Who is in touch or touch-in-goal, grounds the ball in the opponents' in-goal provided the player is not holding the ball.

Grounding the ball

Scoring a try - when a scrum reaches the try line

Scoring a try - a player in touch-in-goal who is not holding the ball

PENALTY TRY

3. A penalty try is awarded between the goal posts if foul play by the opposing team prevents a probable try from being scored, or scored in a more advantageous position. A player guilty of this must be cautioned and shown a yellow card or sent off. No conversion is attempted.

CONVERSION, PENALTY GOAL AND DROPPED GOAL

4. For any goal to be successful, the ball must be kicked over the crossbar and between the goal posts without first touching a team-mate or the ground.
5. If the ball goes over the crossbar and over the height of the goal posts, the kick is successful if it is deemed that the ball would have gone between the goal posts had they been taller.
6. If the ball has crossed the crossbar and the wind blows it back into the field of play, the score stands.

CONVERSION

7. When a try is scored, it gives that team the right to attempt a conversion, which may be a place-kick or drop-kick.
8. The kicker:
 - a. Takes the kick in the field of play on a line through the place where the try was awarded, parallel to the touchlines.
 - b. Places the ball directly on the ground or on sand, sawdust, or a kicking tee. The kicker may be assisted by a placer. Nothing else may be used to assist the kicker.
 - c. Takes the kick within 60 seconds (playing time) from the time the try was awarded, even if the ball rolls over and has to be placed again.
Sanction: Kick is disallowed.
9. The kicker's team, apart from a team-mate holding the ball, stay behind the ball when it is kicked and do nothing to mislead their opponents into charging too soon. **Sanction:** Kick is disallowed.
10. If the ball falls over before the kicker begins the approach to kick, the referee permits the kicker to replace it. While the ball is replaced, the opponents remain behind their try line.
11. If the ball falls over after the kicker begins the approach to kick, the kicker may then kick or attempt a dropped goal.
12. If the ball falls over and rolls away from the line through the place where the try was awarded and the kicker then kicks the ball over the crossbar, the conversion is successful.
13. If the ball falls over and rolls into touch after the kicker begins the approach to kick, the kick is disallowed.

THE OPPOSING TEAM AT A CONVERSION

14. All players retire to their try line and do not overstep that line until the kicker moves in any direction to begin their approach to kick. When the kicker does this, they may charge or jump to prevent a goal but must not be physically supported by other players in these actions.

15. The team must not shout during a conversion attempt.

Sanction: If the opposing team at a conversion attempt infringes but the kick is successful, the goal stands. If the kick is unsuccessful, the kicker retakes the conversion and the opposing team is not allowed to charge. When another kick is allowed, the kicker may repeat all the preparations. The kicker may change the type of kick.

16. If the ball falls over after the kicker begins the approach to kick, the opponents may continue to charge.

17. If the opposition touches the ball and the kick is successful, the goal stands.

PENALTY GOAL

18. A penalty goal can be scored only from a penalty.

19. The kicking team must indicate their intention to kick for goal without delay.

20. If the team indicates to the referee the intention to kick at goal, they must kick at goal. The intention to kick can be communicated to the referee or signalled by the arrival of the kicking tee or sand, or when the player makes a mark on the ground.

21. The kick must be taken within 60 seconds (playing time) from the time the team indicated their intention to do so, even if the ball rolls over and has to be placed again. **Sanction:** Kick is disallowed and a scrum is awarded.

22. If the kicker indicates to the referee the intent to kick at goal, the opposing team must stand still with their hands by their sides from the time the kicker starts to approach to kick until the ball is kicked.

23. If the kicker has not indicated an intention to kick at goal but takes a drop-kick and scores a goal, the goal stands.

24. The kicker places the ball directly on the ground or on sand, sawdust, or a kicking tee. The kicker may be assisted by a placer. Nothing else may be used to assist the kicker. **Sanction:** Scrum.

- 25. Any player who intentionally touches the ball in an attempt to prevent a penalty goal being scored is illegally touching the ball.
- 26. A defending player must not shout during a penalty kick at goal.
- 27. If the opposing team infringes while the kick is being taken but the kick at goal is successful, the goal stands and a further penalty is not awarded. If the kick is unsuccessful, the non-offending team is awarded a penalty 10 metres in front of the original mark. **Sanction:** Penalty.

DROPPED GOAL

- 28. A player scores a dropped goal by kicking a goal from a drop-kick in open play.
- 29. The team awarded a free-kick (including where they opt for a lineout instead) cannot score a dropped goal until the ball next becomes dead or until an opponent has played the ball, has touched it or has tackled the ball-carrier. Any such kick is deemed to be unsuccessful and play continues.

The game is played only by players who are onside.

OFFSIDE AND ONSIDE IN OPEN PLAY

1. A player is offside in open play if that player is in front of a team-mate who is carrying the ball or who last played it. An offside player must not interfere with play. This includes:
 - a. Playing the ball.
 - b. Tackling the ball-carrier.
 - c. Preventing the opposition from playing as they wish.
 - d. Loitering in an offside position
2. A player can be offside anywhere in the playing area.
3. A player who receives an unintentional throw forward is not offside.
4. An offside player may be penalised, if that player:
 - a. Does not make an effort to retreat and Interferes with play; or
 - b. Moves towards the ball; or
 - c. Was in front of a team-mate who kicked the ball and fails to retire immediately behind an onside team-mate or an imaginary line across the field 10 metres on that player's side from where the ball is caught or lands, even if it hits a goal post or crossbar first. If this involves more than one player, then the player closest to where the ball lands or is caught is the one penalised. This is known as the 10-metre law and still applies if the ball touches or is played by an opponent but not when the kick is charged down. **Sanction:** The non-offending team can choose either:
 - i. **Penalty at the place of infringement; or**
 - ii. **Scrum where the offending team last played the ball.**
5. A player is accidentally offside if the player cannot avoid being touched by the ball or by a team-mate who is carrying the ball. Only if the offending team gains an advantage should play stop. **Sanction:** Scrum.

LAW 10 Offside and onside in open play

6. Any offside player can be put onside when that player:
 - a. Moves behind a team-mate who last played the ball; or
 - b. Moves behind a team-mate who is onside.

Player made onside by team-mate

7. Other than under Law 10.4c, an offside player can be put onside when:
 - a. An onside team-mate of that player moves past the offside player and is within or has re-entered the playing area.
 - b. An opponent of that player:
 - i. Kicks the ball; or
 - ii. Intentionally touches the ball without gaining possession of it.
8. A player offside under Law 10.4c cannot be put onside by any action of an opponent, apart from a charge down.

RETIRING FROM A RUCK, MAUL, SCRUM OR LINEOUT

9. A player who is offside at a ruck, maul, scrum or lineout remains offside, even after the ruck, maul, scrum or lineout has ended.
10. The player can be put onside only if:
 - a. That player immediately retires behind the applicable offside line; or
 - b. An opposition player carries the ball five metres in any direction; or
 - c. An opposition player kicks the ball.
11. An offside player may be penalised if that player:
 - a. Fails to retire without undue delay and benefits from being put onside in a more advantageous position; or
 - b. Interferes with play; or
 - c. Moves towards the ball.

Sanction: Penalty.

KNOCK FORWARD

1. A knock forward may occur anywhere in the playing area
Sanction: Scrum (if the ball goes into touch, the non-offending team may opt instead for a quick-throw or lineout).
2. It is a knock forward when a player, in tackling or attempting to tackle an opponent, makes contact with the ball and the ball goes forward
Sanction: Scrum (if the ball goes into touch, the non-offending team may opt instead for a quick-throw or lineout).
3. A player must not intentionally knock the ball forward with hand or arm.
Sanction: Penalty.
4. It is not an intentional knock forward if, in the act of trying to catch the ball, the player knocks the ball forward provided that there was a reasonable expectation that the player could gain possession.
5. There is no sanction, and play continues, if:
 - a. A player knocks the ball forward immediately after an opponent has kicked it (charge down).
 - b. A player rips or knocks the ball from an opponent and the ball goes forward from the opponent's hand or arm.

Kick-off

Sanction: The kick is retaken.
6. The ball must reach the 10-metre line. **Sanction:** The non-kicking team has the option of the kick being retaken or a scrum.
7. If the ball reaches the 10-metre line but is then blown back or if an opponent plays the ball before it reaches the 10-metre line, play continues.

 - a. The kick being retaken.
 - b. Scrum.
 - c. Lineout.
 - d. Quick-throw.

10. If the ball is kicked into the kicking team's own in-goal and is made dead by a defending player or it goes dead through in-goal, the non-kicking team is awarded a five-metre scrum.

OTHER RESTART KICKS (DROP-OUTS)

11. Play is restarted with a 22-metre drop-out when an unsuccessful penalty goal or dropped goal attempt is grounded or made dead in in-goal by the defending team, or the ball goes dead through in-goal from one of these attempts.
12. Play is restarted with a try line drop-out when:
 - a. The ball is played or taken into in-goal by an attacking player and is then held up, grounded or otherwise made legally dead by an opponent.
 - b. An attacking kick, other than a kick-off, restart kick following a score, drop goal, drop-out or penalty attempt, is grounded or made dead in in-goal by the defending team.

16. If the ball crosses the sanction line but is then blown back, play continues.
17. If the ball does not cross the sanction line, advantage may apply.
18. If a drop-out reaches the opponents' in-goal without touching any player and an opponent grounds the ball without delay or it goes into touch-in-goal or on or over the dead-ball line, the non-kicking team has the option of having the kick retaken or a scrum.
19. The team-mates of the kicker must be behind the ball when it is kicked. Those who are in front of the ball when it is kicked may be sanctioned unless they retire and do not interfere with play until they are put onside by the actions of a team-mate. **Sanction: Scrum.**

Try line drop-out

PRINCIPLE

The game is played only by players who are on their feet.

1. Players, who go to ground to gather the ball or who go to ground with the ball, must immediately:
 - a. Get up with the ball; or
 - b. Play (but not kick) the ball; or
 - c. Release the ball.

Sanction: Penalty.

2. Once the ball is played or released, players on the ground must immediately either move away from the ball or get up. **Sanction:** Penalty.
3. A player on the ground, in the field of play, without the ball is out of the game and must:
 - a. Allow opponents who are not on the ground to play or gain possession of the ball.
 - b. Not play the ball.
 - c. Not tackle or attempt to tackle an opponent.

Sanction: Penalty.

4. Players on their feet and without the ball must not fall on or over players on the ground who have the ball or who are near it. **Sanction:** Penalty.

No player may fall on or over a tackled player

PRINCIPLE

A tackle can take place anywhere in the field of play. The actions of players involved in the tackle must ensure a fair contest and allow the ball to be available for play immediately.

Tackle

REQUIREMENTS FOR A TACKLE

1. For a tackle to occur, the ball-carrier is held and brought to ground by one or more opponents.
2. Being brought to ground means that the ball-carrier is lying, sitting or has at least one knee on the ground or on another player who is on the ground.
3. Being held means that a tackler must continue holding the ball-carrier until the ball-carrier is on the ground.

PLAYERS IN A TACKLE

4. Players in a tackle are:
 - a. Tackled player.
 - b. Tackler(s).
 - c. Others:
 - i. Player(s) who hold the ball-carrier during a tackle but do not go to ground.
 - ii. Player(s) who arrive to contest possession in the tackle.
 - iii. Player(s) who are already on the ground.

PLAYER RESPONSIBILITIES

5. Tacklers must:
 - a. Immediately release the ball and the ball-carrier after both players go to ground.
 - b. Immediately move away from the tackled player and from the ball or get up.
 - c. Be on their feet before attempting to play the ball.
 - d. Allow the tackled player to release or play the ball.
 - e. Allow the tackled player to move away from the ball.

Sanction: Penalty.

6. Tacklers may play the ball from the direction of their own try line provided they have complied with the above responsibilities and a ruck has not formed.
7. Tackled players must immediately:
 - a. Make the ball available so that play can continue by releasing, passing or pushing the ball in any direction except forward. They may place the ball in any direction.
 - b. Move away from the ball or get up.
 - c. Ensure that they do not lie on, over or near the ball to prevent opposition players from gaining possession of it.

Sanction: Penalty.

Tackled player must release the ball immediately

8. Other players must:

- a. Remain on their feet and release the ball and the ball-carrier immediately.
- b. Remain on their feet when they play the ball.
- c. Arrive at the tackle from the direction of their own try line before playing the ball.
- d. Not play the ball or attempt to tackle an opponent while on the ground near the tackle.
- e. Not roll, pull or twist an opponent, who is involved in the tackle, to the ground

Sanction: Penalty.

After a tackle all of the players must be on their feet when they play the ball

Player off feet and playing the ball at the tackle

Player off feet and playing the ball at the tackle

9. Any player who gains possession of the ball:
 - a. Must play it immediately, by moving away, or by passing or kicking the ball.
 - b. Must remain on their feet, and not go to ground at or near the tackle unless tackled by the opposition.
 - c. May be tackled, provided the tackler does so from the direction of their own try line.

Sanction: Penalty.

10. Offside lines are created at a tackle when at least one player is on their feet and over the ball, which is on the ground. Each team's offside line runs parallel to the try line through the hindmost point of any player in the tackle or on their feet over the ball. If that point is on or behind the try line, the offside line for that team is the try line.

Offside lines created by player on feet over ball

11. The tackle ends when:
- A ruck is formed.
 - A player on their feet from either team gains possession of the ball and moves away or passes or kicks the ball.
 - The ball leaves the tackle area.
 - The ball is unplayable. If there is doubt about which player did not conform to law, the referee orders a scrum. The throw is taken by the team moving forward prior to the stoppage or, if no team was moving forward, by the attacking team.

PRINCIPLE

The purpose of a ruck is to allow players to compete for the ball which is on the ground.

Ruck

FORMING A RUCK

1. A ruck can take place only in the field of play.
2. A ruck is formed when at least one player from each team are in contact, on their feet and over the ball which is on the ground.
3. Players involved in all stages of the ruck must have their heads and shoulders no lower than their hips. **Sanction:** Free-kick.

OFFSIDE AT A RUCK

4. Each team has an offside line that runs parallel to the try line through the hindmost point of any ruck participant. If that point is on or behind the try line, the offside line for that team is the try line.

At a ruck, the offside line runs through the hindmost point of the hindmost player of either team. The player in the yellow jersey on the right-hand side is offside.

JOINING A RUCK

5. An arriving player must be on their feet and join from behind their offside line.
6. A player may join alongside but not in front of the hindmost player.
7. A player must bind onto a team-mate or an opposition player. The bind must precede or be simultaneous with contact with any other part of the body.
8. Players must join the ruck or retire behind their offside line immediately.
9. Players who have previously been part of the ruck may rejoin the ruck, provided they do so from an onside position.

Sanction: Penalty.

DURING A RUCK

10. Possession may be won either by rucking or by pushing the opposing team off the ball.
11. Once a ruck has formed, no player may handle the ball unless they were able to get their hands on the ball before the ruck formed and stay on their feet.
12. Players must endeavour to remain on their feet throughout the ruck.
13. All players in a ruck must be caught in or bound to it and not just alongside it.
14. Players may play the ball with their feet, provided they do so in a safe manner.
15. Players on the ground must attempt to move away from the ball and must not play the ball in the ruck or as it emerges.
16. Players must not:
 - a. Pick the ball up with their legs.
 - b. Intentionally collapse a ruck or jump on top of it.
 - c. Intentionally step on another player.
 - d. Fall onto, or over, the emerging ball while it is on the ground near to the ruck.
 - e. Kick, or attempt to kick, the ball out of a ruck.

Sanction: Penalty.

- f. Return the ball into the ruck.
- g. Take any action to make opponents believe that the ruck has ended when it has not.

Sanction: Free-kick.

ENDING A RUCK

17. When the ball has been clearly won by a team at the ruck, and is available to be played, the referee calls “use it”, after which the ball must be played away from the ruck within five seconds. **Sanction:** Scrum.
18. A player who is, or was part of the ruck may not play an opponent who is near it (within 1m), and who is attempting to play the ball away **Sanction:** Penalty
19. The ruck ends and play continues when the ball leaves the ruck or when the ball in the ruck is on or over the try line.
20. The ruck ends when the ball becomes unplayable. If the referee decides that the ball will probably not emerge within a reasonable time, a scrum is awarded.

PRINCIPLE

The purpose of a maul is to allow players to compete for the ball, which is held off the ground.

Maul

FORMING A MAUL

1. A maul can take place only in the field of play.
2. It consists of a ball carrier and at least one player from each team, bound together and on their feet. A player ripping the ball from the ball carrier must stay in contact with that player until they have transferred the ball.
Sanction: Penalty.
3. Once formed, a maul must move towards a try line.

Maul not formed

OFFSIDE AT A MAUL

4. Each team has an offside line that runs parallel to the try line through the maul participants' hindmost foot that is nearest to that team's try line. If that foot is on or behind the try line, the offside line for that team is the try line.
5. A player must either join a maul from an onside position or retire behind their offside line immediately. **Sanction: Penalty.**
6. Players who leave a maul must immediately retire behind the offside line. These players may re-join the maul. **Sanction: Penalty.**

JOINING A MAUL

7. Players joining a maul must:
 - a. Do so from an onside position.
 - b. Bind on to the hindmost player in the maul.
Sanction: Penalty.
 - c. Have their heads and shoulders no lower than their hips. **Sanction: Free-kick.**

DURING A MAUL

8. The ball-carrier in a maul may go to ground provided that player makes the ball available immediately. **Sanction: Scrum.**
9. All other players in a maul must endeavour to stay on their feet.
10. All players in a maul must be caught in or bound to it and not just alongside it. A player in possession of the ball must not slide or move backwards in the maul. **Sanction: Penalty.**
11. Players must not:
 - a. Intentionally collapse a maul or jump on top of it.
 - b. Attempt to drag an opponent out of a maul.
Sanction: Penalty.
 - c. Take any action to make opponents believe that the maul has ended when it has not. **Sanction: Free-kick.**
12. When players of the team who are not in possession of the ball intentionally leave the maul such that there are no players of that team left in the maul, the maul continues.

13. When all players of the team who are not in possession of the ball intentionally leave the maul, they may re-join provided that the first player binds on the frontmost player of the team in possession of the ball. **Sanction:** Penalty.
14. When a maul has stopped moving towards a try line for more than five seconds but the ball is being moved and the referee can see it, the referee instructs the players to use the ball. The team in possession must then use the ball within a reasonable time. **Sanction:** Scrum.
15. When a maul has stopped moving towards a try line, it may restart moving towards a try line providing it does so within five seconds. If it stops a second time but the ball is being moved and the referee can see it, the referee instructs the team to use the ball. The team in possession must then use the ball in a reasonable time. **Sanction:** Scrum.

ENDING A MAUL

16. A maul ends and play continues when:
 - a. The ball or ball-carrier leaves the maul.
 - b. The ball is on the ground.
 - c. The ball is on or over the try line.
17. A maul ends unsuccessfully when:
 - a. The ball becomes unplayable.
 - b. The maul collapses (not as a result of foul play).
 - c. The maul does not move towards a try line for longer than five seconds and the ball does not emerge.
 - d. The ball-carrier goes to ground and the ball is not immediately available.
 - e. The ball is available to be played, the referee has called “use it” and it has not been played within five seconds of the call.

Sanction: Scrum.

18. A player who is, or was part of the maul may not play an opponent near it (within 1m), and who is attempting to play the ball away. **Sanction:** Penalty.
19. If a maul is formed immediately after a player has directly caught an opponent’s kick in open play, a scrum that is awarded for any of the above reasons will be to the team of the ball catcher.

PRINCIPLE

A means of stopping play within a player's own 22 by directly catching an opponent's kick.

CLAIMING A MARK

1. To claim a mark, a player must:
 - a. Have at least one foot on or behind their own 22-metre line when catching the ball or when landing having caught it in the air; and
 - b. Catch a ball that has reached the plane of the 22-metre line directly from an opponent's kick before it touches the ground or another player; and
 - c. Simultaneously call "mark".
2. A player may claim a mark even if the ball hits a goal post or crossbar before being caught.
3. When a mark is called correctly, the referee immediately stops the game and awards a free-kick to the team in possession.
4. A mark may not be claimed from a kick-off or a restart kick after a score.

RESTARTING PLAY AFTER A MARK

5. The player who claimed the mark takes the free-kick (in accordance with Law 20).
6. If the player is unable to take the free-kick within one minute, a team-mate may take the free kick.
7. The free-kick is taken at the following locations:

Place of the mark	Location of free-kick
Within the 22	At the place of the mark but at least five metres from the try line, in line with the place of the mark.
Within the in-goal	On the five-metre line in line with the place of the mark.

PRINCIPLE

The field of play has side boundaries known as touchlines. When play reaches a touchline, the ball is in touch and becomes dead.

Quick-throws and lineouts are methods of restarting the game with a throw after the ball or ball-carrier has gone into touch.

TOUCH OR TOUCH-IN-GOAL

1. The ball is in touch or touch-in-goal when:
 - a. The ball or ball-carrier touches the touchline, touch-in-goal line or anything beyond.
 - b. A player, who is already touching the touchline, touch-in-goal line or anything beyond, catches or holds the ball.
 - i. If the ball has reached the plane of touch when it is caught, the catcher is not deemed to have taken the ball into touch.
 - ii. If the ball has not reached the plane of touch when it is caught or picked up, the catcher is deemed to have taken the ball into touch, regardless of whether the ball was in motion or stationary.
2. The ball is not in touch or touch-in-goal if:
 - a. The ball reaches the plane of touch but is caught, knocked or kicked by a player who is in the playing area.
 - b. A player jumps, from within or outside the playing area, and catches the ball, and then lands in the playing area, regardless of whether the ball reached the plane of touch.
 - c. A player jumps from the playing area and knocks (or catches and releases) the ball back into the playing area, before landing in touch or touch-in-goal, regardless of whether the ball reached the plane of touch.
 - d. A player, who is in touch, kicks or knocks the ball, but does not hold it, provided it has not reached the plane of touch.

QUICK THROW

3. A player who carries the ball into touch must release the ball immediately so that a quick throw may be taken. **Sanction:** Penalty.
4. At a quick throw, the ball is thrown in:
 - a. Between the mark of touch and the thrower's own try line; and
 - b. Parallel to or towards the thrower's own try line; and
 - c. So that it reaches the five-metre line before it touches the ground or hits a player; and
 - d. By a player whose feet are both outside the field of play.

Sanction: Option of lineout or scrum.

5. A quick throw is disallowed and a lineout is awarded to the same team if:
 - a. A lineout had already been formed; or
 - b. The ball had been touched after it went into touch by anyone other than the player throwing in or the player who carried the ball into touch; or
 - c. A different ball is used from the one that originally went into touch.
6. The ball must reach the five-metre line before it is played and a player must not prevent the ball from travelling five metres. **Sanction:** Free-kick.
7. If the mark of touch is outside the 22, the defending team may take the quick throw inside the 22 but is deemed to have taken the ball into the 22.

Quick throw-in

8. Where the game is restarted with a lineout and which team throws in is determined as follows:
 - a. General

Event	Location of the mark of touch	Who throws in
A player, in their own half, kicks the ball indirectly into touch in the opposition's 22. Either the team did not take the ball into their half, or a tackle, ruck or maul took place within the half, or an opponent touched the ball within the half. This variation does not apply at a kick-off or any type of restart kick.	Where the ball reaches the touchline.	The kicking team.
The ball-carrier goes into touch or kicks the ball indirectly into touch (other than kicking from inside their own half into touch in the opposition's 22).	Where the player or ball touches the touchline or the ground beyond it.	The opposition.
A player unintentionally knocks, passes or throws the ball into touch.	Where the ball reaches the touchline.	The opposition.
The ball hits a player and goes directly into touch.	Where the ball reaches the touchline or at the point on the touchline closest to where the ball hit the player, whichever is nearer to that player's try line.	The opposition.

Event	Location of the mark of touch	Who throws in
The ball hits a player and it bounces into touch.	Where the ball reaches the touchline.	The opposition.
A player, who is in touch, catches or picks up a ball which has reached the plane of touch.	Where the ball reached the plane of touch.	The team of the player who caught or picked up the ball.

FORMING A LINEOUT

9. A lineout is formed on the mark of touch.
10. Each team forms a single line parallel to and half a metre from the mark of touch on their side of the lineout between the five-metre and 15-metre lines. The gap between the lines must be maintained until the ball is thrown in.

Sanction: Free-kick.
13. The team throwing in determines the maximum number of players that each team may have in the lineout.
14. Unless the throw is taken as soon as the lineout is formed, the non-throwing team may not have more players (but may have fewer players) in the lineout than the throwing team. **Sanction:** Free-kick.

Sanction: Free-kick.
16. If a team elects to have a receiver, the receiver stands between the five-metre and the 15-metre lines, two metres away from their team-mates in the lineout. Each team may have only one receiver. **Sanction:** Free-kick.
17. Once the lineout is formed, players:
 - a. From the team throwing in may not leave the lineout other than to change positions with other participating players.
 - b. From the non-throwing team may leave the lineout only to ensure that they do not have more players than the opposition.**Sanction:** Free-kick.
18. Participating players may change places in the lineout before the ball is thrown.
19. Players in the lineout who are going to lift or support a team-mate jumping for the ball may pre-grip that team-mate providing they do not grip below the shorts from behind or below the thighs from the front. **Sanction:** Free-kick.
20. Players must not jump or be lifted or supported before the ball has left the hands of the player throwing in. **Sanction:** Free-kick.
21. Players must not make any contact with an opponent before the ball is thrown in. **Sanction:** Penalty.

THROWING INTO A LINEOUT

23. The ball must:

- a. Be thrown in straight along the mark of touch towards a lineout player; and:

- b. Reach the five-metre line before it hits the ground or is played.

Sanction: Option of lineout or scrum. If the lineout is chosen and the ball is again not thrown straight, a scrum is awarded to the team that originally threw in the ball.

 - a. Join the lineout.
 - b. Retire to the offside line of the non-participating players of their own team.

LAW 18 Touch, quick throw and lineout

OFFSIDE AT A LINEOUT

30. All lineout players are onside if they remain on their side of the mark of touch until the ball has been thrown in and touched a player or the ground.
31. Players jumping for the ball who cross the mark of touch and do not catch the ball must immediately return to their own side.
32. Until the ball is thrown in, and has touched the player or the ground, the offside line for lineout players is the mark of touch. After that, their offside line is a line through the ball.
33. When a ruck or maul forms at the mark of touch, a participating player may either:
 - a. Join the ruck or maul; or
 - b. Retire to the offside line, which is the hindmost foot of that player's team in the ruck or maul.
34. Once the ball has been thrown, a lineout player may move beyond the 15-metre line. If the ball does not go beyond the 15-metre line, the player must immediately return to the lineout.
35. Players not participating in the lineout must remain at least 10 metres from the mark of touch on their own team's side or behind the try line if this is nearer. If the ball is thrown in before a player is onside, the player will not be liable to sanction if the player immediately retires to the onside position. The player cannot be put onside by the action of any other player.
36. Once the ball has been thrown in by a team-mate, players who are not participating in the lineout may move forward. If that occurs, then their opponents may also move forward. If the ball does not go beyond the 15-metre line, the players will not be liable to sanction if they immediately retire to their respective offside lines.

Sanction: Penalty.

ENDING A LINEOUT

37. The lineout ends when:
- a. The ball or a player in possession of the ball:
 - i. leaves the lineout; or
 - ii. enters the area between the touchline and the five-metre line; or
 - iii. goes beyond the 15-metre line.
 - b. A ruck or maul forms and all of the feet of all of the players in the ruck or maul move beyond the mark of touch.
 - c. The ball becomes unplayable.
38. Other than by moving to the receiver position if that position is empty, no lineout player may leave the lineout until it has ended. **Sanction:** Penalty.

PRINCIPLE

The purpose of a scrum is to restart play with a contest for possession after a minor infringement or stoppage.

1. Where the game is restarted with a scrum and which team throws in is determined as follows:

Infringement / stoppage	Location of scrum	Who throws in
A knock forward or throw forward, apart from at a lineout.	In the scrum zone at the point closest to the place of infringement.	The non-offending team.
A knock forward or throw forward at a lineout; incorrect throw at a lineout; incorrect quick throw.	15 metres in from the mark of touch.	The non-offending team.
Offside in open play (scrum option).	In the scrum zone at the point closest to where the offending team last played the ball.	The non-offending team.
A penalty (scrum option).	In the scrum zone at the point closest to where the infringement took place.	The non-offending team.
The ball is taken into in-goal by the defending team and made dead.	In the scrum zone at the point closest to where the ball was made dead.	The attacking team.
An unplayable tackle or ruck.	In the scrum zone at the point closest to where the tackle or ruck took place	The team last moving forward. If neither team was moving forward, the attacking team.

Infringement / stoppage	Location of scrum	Who throws in
A maul that ends unsuccessfully.	In the scrum zone at the point closest to where the maul ended.	The team not in possession at the start of the maul. If the referee cannot decide which team had possession, the team moving forward before the maul stopped. If neither team was moving forward, the attacking team.
An unplayable maul after kick in open play.	In the scrum zone at the point nearest to place of maul.	The team in possession at the start of the maul.
An incorrect kick-off or restart kick (scrum option).	In the scrum zone, as near as possible to the middle point of the line behind which the kick-off or restart kick was taken.	The non-kicking team.
Failure to “use it” at scrum, ruck or maul.	In the scrum zone at the point closest to where the scrum, ruck or maul took place.	The team not in possession.
The ball or ball-carrier touches the referee and either team gains an advantage.	In the scrum zone at the point closest to the incident.	The team that last played the ball.
Stoppage due to injury.	In the scrum zone at the point where the ball was last played.	The team last in possession.
Reset scrum – no infringement.	Where the original scrum took place.	The team originally awarded the scrum.

Infringement / stoppage	Location of scrum	Who throws in
A penalty attempt at goal not taken within the time limit.	In the scrum zone at the point closest to where the penalty was awarded.	The non-offending team.
The referee awards a scrum for any other reason not covered in law.	In the scrum zone at the point closest to the place of stoppage.	The team that was last moving forward or, if neither team was moving forward, the attacking team.

Scrum

FORMING A SCRUM

2. A scrum is formed in the scrum zone at a mark indicated by the referee.
3. The referee makes the mark to create the middle line of the scrum, which runs parallel to the try lines.
4. Teams must be ready to form the scrum within 30 seconds of the mark being made. **Sanction:** Free-kick.
5. When both teams have 15 players, eight players from each team bind together in formation as outlined in the diagram. Each team must have two props and one hooker in the front row and two locks in the second row. Three back-row players from each team complete the scrum. **Sanction:** Penalty.
6. When a team is reduced to fewer than 15 for any reason, then the number of players in each team in the scrum may be similarly reduced. Where a permitted reduction is made by one team, there is no requirement for the other team to make a similar reduction. However, a team must not have fewer than five players in the scrum.
7. The players in the scrum bind in the following way:
 - a. The props bind to the hooker.
 - b. The hooker binds with both arms. This can be either over or under the arms of the props.
 - c. The locks bind with the props immediately in front of them and with each other.
 - d. All other players in the scrum bind on a lock's body with at least one arm.

Sanction: Penalty.

8. The two groups face each other, either side of and parallel to the middle line.
9. The two front rows stand not more than an arm's length apart with the hookers at the mark.

ENGAGEMENT

10. When both sides are square, stable and stationary, the referee calls “crouch”.
- The front-rows then adopt a crouched position if they have not already done so. Their heads and shoulders are no lower than their hips, a position that is maintained for the duration of the scrum.
 - The front-rows crouch with their heads to the left of their immediate opponents’, so that no player’s head is touching the neck or shoulders of an opponent.
 - Hookers must have a 'brake' foot positioned to help stability and to avoid axial loading.

Sanction: Free-kick.

11. When both sides are square, stable and stationary, the referee calls “bind”.
- Each loose-head prop binds by placing the left arm inside the right arm of the opposing tight-head prop.
 - Each tight-head prop binds by placing the right arm outside the left upper arm of the opposing loose-head prop.
 - Each prop binds by gripping the back or side of their opponent’s jersey.
 - All players’ binding is maintained for the duration of the scrum.

Sanction: Penalty.

12. When both sides are square, stable and stationary, with the hooker still applying the brake foot, the referee calls “set”.
- Only then must the hooker remove the brake foot and the teams engage, completing the formation of the scrum and creating a tunnel into which the ball will be thrown.
 - All players must be in position and ready to push forward.
 - Each front-row player must have both their feet on the ground, with their weight firmly on at least one foot.
 - Each hooker’s feet must be in line with, or behind, the foremost foot of that team’s props.

Sanction: Free-kick.

THROW

13. The scrum-half chooses which side of the scrum to throw in the ball.
14. The scrum-half holds the ball as shown in the diagram.
15. When both sides are square, stable and stationary, the scrum-half throws in the ball:
 - a. From the chosen side.
 - b. From outside the tunnel.
 - c. Without delay.
 - d. With a single forward movement.
 - e. At a quick speed.
 - f. Straight. The scrum-half may align their shoulder on the middle line of the scrum, thereby standing a shoulder-width closer to their side of the scrum.
 - g. So that it first touches the ground inside the tunnel.

Sanction: Free-kick.

Throw-in at the scrum

DURING A SCRUM

16. The scrum begins when the ball leaves the hands of the scrum-half.
17. Only when the scrum begins may the teams push. **Sanction:** Free-kick.
18. Possession may be gained by pushing the opposition backwards and off the ball.
19. Players may push provided they do so straight and parallel to the ground.
Sanction: Penalty.
20. Front-row players may gain possession by striking for the ball but only once the ball touches the ground in the tunnel. **Sanction:** Free-kick.
21. A front-row player striking for the ball may do so with either foot but not both at the same time. **Sanction:** Penalty.
22. The hooker from the team which threw in the ball must strike for the ball.
Sanction: Free-kick.
23. A front-row player must not intentionally kick the ball out of the tunnel from the direction it was thrown. **Sanction:** Free-kick.
24. Any player within the scrum may play the ball but only with their feet or lower legs and they must not lift the ball. **Sanction:** Penalty.
25. If a scrum collapses or if a player in the scrum is lifted or is forced upwards out of the scrum, the referee must blow the whistle immediately so that players stop pushing.
26. When the scrum is stationary and the ball has been available at the back of the scrum for three-five seconds, the referee calls “use it”. The team must then play the ball out of the scrum immediately. **Sanction:** Scrum.

OFFSIDE AT A SCRUM

27. Players remain onside for the duration of the scrum.
 28. Prior to the start of play in the scrum, the scrum-half of the team not throwing in the ball stands:
 - a. On that team's side of the middle line next to the opposing scrum-half, or
 - b. At least five metres behind the hindmost foot of their team's last player in the scrum and remains there until the completion of the scrum.
 29. Once play in the scrum begins, the scrum-half of the team in possession has at least one foot level with or behind the ball.
 30. Once play in the scrum begins, the scrum-half of the team not in possession:
 - a. Takes up a position near the scrum with both feet no further than the centre line of the tunnel. or
 - b. Permanently retires to a point on the offside line either at that team's hindmost foot, or
 - c. Permanently retires at least five metres behind the hindmost foot.
 31. All players not participating at the scrum remain at least five metres behind the hindmost foot of their team.
 32. When the hindmost foot of a team is in in-goal or within five metres of that team's try line, the offside line for that team's non-participants is the try line.
- Sanction:** Penalty.
33. As soon as the scrum ends, offside lines no longer apply.

LAW 19 Scrum

Scrum offside

RESETTING A SCRUM

34. When there is no infringement, the referee will stop play and reset the scrum if:
- a. The scrum-half throws in the ball and it comes out at either end of the tunnel.
 - b. The scrum collapses or breaks up before it has otherwise ended.
 - c. The scrum is wheeled through more than 90 degrees, so the middle line has passed beyond a position parallel to the touchline.
 - d. Neither side wins possession.
 - e. The ball is unintentionally kicked out of the tunnel. Exception: If the ball is repeatedly kicked out, the referee must treat this as intentional.
- Sanction:** Penalty.
35. When a scrum is reset, the ball is thrown in by the team that previously threw it in.

ENDING A SCRUM

36. The scrum ends:
- a. When the ball comes out of the scrum in any direction except the tunnel.
 - b. When the ball reaches the feet of the hindmost player and it is picked up by that player or is played by that team's scrum-half.
 - c. When the number eight picks up the ball from the feet of a second-row player.
 - d. When the referee blows the whistle for an infringement.
 - e. When the ball in a scrum is on or over the try line.

DANGEROUS PLAY AND RESTRICTED PRACTICES IN A SCRUM

37. Dangerous play in a scrum includes:

- a. A front-row charging against the opposition.
- b. Pulling an opponent.
- c. Intentionally lifting an opponent off their feet or forcing them upwards out of the scrum.

SCRUM LAW VARIATIONS

39. A union may implement the under-19 scrum law variations at defined levels of the game within its jurisdiction.

PRINCIPLE

Penalties and free-kicks are awarded to restart play after infringements.

LOCATION OF A PENALTY OR FREE-KICK

1. The mark for a penalty or free-kick must be in the field of play and be no closer than five metres from the try line, as per the following table:

Infringement	Location of penalty or free-kick
While the ball is in play excluding a late charge after a kick.	At the place of infringement.
While the ball is dead.	- At the point where play would have restarted or, if that place is on the touchline or within 15 metres of it, the mark is on the 15-metre line, in line with that place. - If play would have restarted with a drop-out, the mark is anywhere on the drop-out's sanction line (non-offending team decides).
Any infringement that takes place outside the playing area while the ball is in play.	On the 15-metre line, in line with where the offence occurred or if the offence occurred in touch-in-goal or beyond the dead-ball line, on the five-metre line, in line with the place of the infringement, but no less than 15 metres from the touchline.
Any infringement in a lineout.	15 metres from the touchline on the mark of touch.
Offside at a phase of play.	At the offending team's offside line.
Any subsequent infringement by the original offending team after the first penalty or free-kick is awarded but before it is taken.	Advanced 10 metres from the original mark.

Infringement	Location of penalty or free-kick
Late charging the kicker.	The opposition chooses either at the place of the infringement, where the ball landed or where the ball was next played. - If the infringement takes place in the kicker's in-goal, the penalty is taken five metres from the try line in line with the place of infringement but at least 15 metres from the touchline. - The non-offending team may also choose to take the penalty where the ball lands or where it is next played before landing, at least 15 metres from the touchline. - If the ball lands in touch, the optional penalty is on the 15-metre line, in line with where it went into touch. - If the ball lands, or is next played before landing, within 15 metres of the touchline, the mark is on the 15-metre line opposite where the ball landed or was played. - If the ball lands in in-goal, in touch-in-goal, or on or over the dead-ball line, the optional penalty is five metres from the try line, in line with the place where the ball crossed the try line and at least 15 metres from the touchline. - If the ball hits a goal post or crossbar, the optional penalty kick is awarded where the ball lands.

Infringement	Location of penalty or free-kick
Intentionally throwing or knocking the ball into touch.	If the ball is thrown or knocked: - Into touch or touch-in-goal or over the dead-ball line from the playing area, the mark is where the infringement occurred but no closer than 15 metres from the touchline and five metres from the try line. - Into touch or touch-in-goal from in in-goal, the mark is on the five-metre line at least 15 metres from the touchline. - Over the dead-ball line from in-goal, the mark is on the five-metre line in a line with where the infringement occurred.
Any infringement in in-goal or within five metres of a try line.	In the field of play, five metres from the try line, in line with the place of infringement.

2. A penalty or free-kick is taken from where it is awarded or anywhere behind it on a line through the mark and parallel to the touchlines. When a penalty or free-kick is taken at the wrong place, it must be re-taken.

OPTIONS AT A PENALTY OR FREE-KICK

3. A team awarded a penalty may instead choose a scrum.
4. A team awarded:
 - a. A penalty at a lineout may instead choose a lineout or a scrum at the same mark.
 - b. A free-kick at a lineout may instead choose a lineout at the same mark

TAKING A PENALTY OR FREE-KICK

5. A penalty or free-kick must be taken without delay.
6. Any player from the non-offending team may take it, other than for a free-kick awarded for a mark.

7. The kicker must use the ball that was in play unless the referee decides it is defective.
8. The kicker may punt, drop-kick or place-kick (other than for touch) the ball.
9. The kicker may kick the ball in any direction.
10. Other than the placer at a place-kick, the kicker's team must remain behind the ball until it has been kicked.
11. The ball must be kicked a visible distance. If the kicker is holding it, it must clearly leave the hands. If it is on the ground, it must clearly leave the mark. Once the kick has been successfully taken the kicker may play the ball again.

Sanction: Scrum.

OPPOSING TEAM AT A PENALTY OR FREE-KICK

12. When a penalty or free-kick is awarded, the opposing team must immediately retreat 10 metres towards their own try line or until they have reached their try line if that is closer.
13. Even if the penalty or free-kick is taken quickly and the kicker's team is playing the ball, opposing players must keep retreating the necessary distance. They may not take part in the game until they have done so.
14. If it is taken so quickly that opponents have no opportunity to retreat, they will not be sanctioned for this. However, they may not take part in the game until they have retreated 10 metres from the mark or until a team-mate who was 10 metres from the mark has moved in front of them.
15. The opposing team may not do anything to delay the kick or obstruct the kicker, including intentionally taking, throwing or kicking the ball out of reach of the team awarded the penalty. **Sanction:** Second penalty or free-kick, 10 metres in front of the original mark. The second penalty or free-kick must not be taken before the referee has made the mark.

OPPOSING TEAM AT A FREE-KICK

16. As soon as the kicker initiates movement to kick, the opposing team may charge and try to prevent the free-kick being taken by tackling the kicker or to block the kick.
17. If the opposing team charge fairly and prevent the free-kick being taken, the kick is disallowed. Play restarts with a scrum at the mark with the opposing team throwing in.

Penalty kick at goal

GROUNDING THE BALL

1. The ball can be grounded in in-goal:
 - a. By holding it and touching the ground with it; or
 - b. By pressing down on it with a hand or hands, arm or arms, or the front of the player's body from waist to neck.

Grounding the ball

2. Picking up a ball is not grounding it. A player may pick up the ball in in-goal and ground it elsewhere in in-goal.
3. An attacking player grounding the ball in in-goal scores a try.
4. When an attacking player holding the ball grounds the ball in in-goal and simultaneously makes contact with the touch-in-goal line or the dead-ball line (or anywhere beyond either), a 22-metre drop-out is awarded to the defending team.
5. When the ball-carrier grounds the ball in in-goal and simultaneously makes contact with the touch line (or the ground beyond), the ball is in touch in the field of play and a lineout is awarded to the opposition.
6. A defending player grounding the ball in in-goal results in a touch down.

7. If a tackled player has momentum that carries them into their own in-goal area, they can make a touch down.
8. A tackled player near their own try line may reach out and ground the ball in in-goal to make a touch down, provided it is done immediately.
Sanction: Penalty.
9. If a player is in touch or touch-in-goal, they can make a touch down or score a try by grounding the ball in in-goal provided they are not holding the ball.
10. If a tackled player is in the act of reaching out to ground the ball for a try or touch down, defending players may knock the ball backwards, or pull the ball from the player's possession but must not kick or attempt to kick the ball.
Sanction: Penalty.

BALL KICKED DEAD THROUGH IN-GOAL

11. If a team kicks the ball through their opponents' in-goal from the field of play into touch-in-goal or on or over the dead-ball line, the defending team can choose:
 - a. To have a drop-out anywhere on or behind the 22-metre line; or
 - b. To have a scrum at the place where the ball was kicked.

Exception: An unsuccessful kick at goal or attempted dropped goal. In these cases, the defending team restarts with a 22-metre drop-out.

DEFENDING PLAYER IN IN-GOAL

12. If any part of a defending player is in in-goal, that player is considered to be in in-goal, provided they are not also in touch or on or over the dead-ball line.
13. If a player, who is in in-goal, catches or picks up a ball that is still in the field of play, that player has taken the ball into in-goal.
14. If a player who is on or beyond the dead-ball-line, or who is in touch-in-goal, catches or picks up a ball within in-goal, that player has made the ball dead.

CORNER FLAG POST

15. If the ball or ball-carrier touches a corner flag or corner flag post without otherwise being in touch or touch-in-goal, play continues unless the ball is grounded against the post.

Player touches corner post before ball is grounded

BALL HELD UP IN-GOAL

16. When a player carrying the ball is held up in-goal, so that the player cannot ground the ball or play the ball, the ball is dead. Play restarts with a try line drop-out or a 5m scrum, depending on how the ball entered in-goal. (law 12.12a, and law 19.1 row 5).

DOUBT ABOUT GROUNDING

17. If there is doubt about which team first grounded the ball in in-goal, play is restarted with a five-metre scrum, in line with the place where the ball was grounded. The attacking team throws in.

 - ii. Six players – three-two-one formation (i.e. no flankers).
 - iii. Five players – three-two formation (i.e. no flankers or number eight).

Sanction: Free-kick.

- c. The scrum is wheeled through more than 90 degrees, so the middle line has passed beyond a position parallel to the touchline.

Replaced by:

- c. The scrum is unintentionally wheeled through more than 45 degrees.

38. Other restricted practices at a scrum include:

Addition:

- g. Pushing the scrum more than 1.5 metres towards the opponents' try line.

Variations *GAME-ON*

The laws of the game apply to the game-on global variations, in full, subject to the following variations which can be applied on a discretionary basis by unions and regions. These may be selected on an individual basis and there is no requirement to use all at once.

The game-on global variations are aimed at the lower end of the community game where recruitment and retention are often major challenges. It is each union's responsibility to determine what constitutes community within their jurisdiction.

LAW 1: THE GROUND

- 3 The dimensions of the playing area are shown in the ground diagram.

Replaced by:

3. The dimensions of a pitch are adaptable and should meet the needs of the community and the number of players, for example: 10-a-side on half a pitch, playing touchline to touchline with all conversions at one set of posts.

LAW 2: BALL

Addition:

4. Community adult players may use size 4, 4.5 or 5 balls.

LAW 3: TEAM

- 2 A match organiser may authorise matches to be played with fewer than 15 players in each team.

Replaced by:

2. A match organiser may authorise matches to be played with fewer than 15 players in each team with a minimum of 10. Teams must be equal in number.

Replaced by:

34. A match organiser may implement “rolling substitutions” whereby players are able to return to the field of play as long as they are not injured. There are no limits on the number of interchanges.

OTHER GAME-ON VARIATIONS

Addition:

35. A match organiser can also apply the half-game rule whereby all players must play at least half a match.

Addition:

36. A match organiser can target specific population groups as a recruitment / retention initiative with weight-based competitions, for example: under 70kg.

LAW 5: TIME

- 3 In non-international matches, the match organiser may decide to reduce the length of a match. If the match organiser does not decide, the teams agree on the length of a match. If they cannot agree, the referee decides.

3. Games should last a minimum of 40 minutes, but can be split into equal halves, quarters or thirds.

LAW 8: SCORING

8. The kicker:

Dangerous tackling includes, but is not limited to, tackling or attempting to tackle an opponent above the waist line, even if the tackle starts below the waist line. Waist can be replaced with “nipple line” so effectively match organisers have three choices: shoulder (as is current law), nipple line or waist height.

LAW 14: TACKLE

PRINCIPLE

Addition:

If match organisers utilise the game-on global waist height tackle variation, it is recommended that they also ensure that ball-carriers do not drop their body height and that double-tackles are sanctioned.

LAW 17: MARK

- 4 A mark may not be claimed from a kick-off or a restart kick after a score.

Replaced by:

4. A mark may not be claimed from a kick-off, a restart kick after a score or from an attacking kick from within the 22m.

LAW 20: PENALTY AND FREE-KICK

- 8 The kicker may punt, drop-kick or place-kick (other than for touch) the ball.
